

Another Testament of Jesus Christ

Answers: 1 Nephi, Sariah and Lehi; Laman, Lemuel, Sam, Nephi

The Book of Mormon is a book of scripture. Like the Bible, it teaches us more about Jesus Christ. That is why it is called “another testament of Jesus Christ.”

The Book of Mormon has stories of prophets who taught that Jesus Christ would come to the earth. It

also tells about how He visited the Americas after His Resurrection and taught the people there. It teaches us how we can follow Him too.

Jesus loves you, and He will help you. This is an important message of the Book of Mormon. ●
