

My Own Testimony

By Chloe C., age 9, Southern Region, Malawi

My name is Chloe, and I am nine years old. My hobbies are playing tennis, singing, and making friends.

I love being at church, and I like to help in my Primary class. It makes me feel good. I love to serve others too. I love my family so much. I helped my younger sister Anna learn how to ride a bike. Sometimes I help my mom clean the dishes.

I also love to read the Book of Mormon with my family. One day when I read the story of Ammon, I felt the Holy Ghost in my heart. That night, I told my family, "Now I know why people say the Book of Mormon is true." I felt in my heart that the stories we were reading from the Book of Mormon really happened.

I know the Church is true. I know the stories in the Book of Mormon are true. I know the prophets are called of God. I know the missionaries can help us follow Jesus. In the name of Jesus Christ, amen. ●
