

Plan of Happiness Craft

Make this craft to help you teach Heavenly Father's plan of happiness.
You can read about this plan in Alma 18:36, 39 and Alma 22:8-16.

1. Cut out the pieces below along the dotted lines. Poke a hole through each white circle.
2. Tie a string through the holes to connect the pieces with words and the picture they go with. Tie another string through the hole at the top.
3. Tie all the strings to a stick. Then hang up your craft.

The Creation.
God created heaven and earth and all that is in them.

The Fall.
Adam and Eve chose to eat from the tree of knowledge of good and evil. This let them have a family.

Life on Earth.
We were all born on earth to learn and grow.

Jesus Christ's Atonement.
Jesus Christ came to earth. As part of His Atonement, He felt all our pain and paid for our sins. He died and lives again. Because of Him, we can repent and live with Heavenly Father after we die.
