

What Are Temple Dedications?

When a new temple is finished, a prophet or apostle says an important prayer to dedicate, or bless, the temple. This prayer sets the temple apart to be a holy place where we can do God’s work. Prophets have promised that hundreds of temples will be dedicated to the Lord.

- In 2012 Elder Russell M. Nelson visited Nicaragua and urged the people to prepare for a temple. He said, “I promise you that when you are ready, the Lord will do His part so that you have a temple” (see *Liahona*, June 2012, 77).
