

# TEMPLE BAPTISMS

In temples, we can be baptized for people who died without learning about the gospel. Those people can choose whether to accept the baptism. If you are worthy, you can receive a **temple recommend** the year you turn 12.

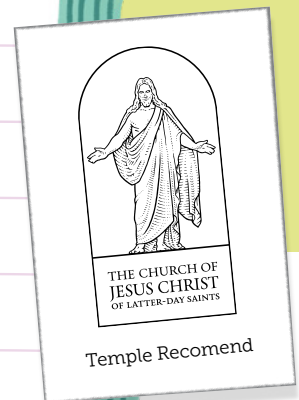

Draw the temple closest to where you live:

When I will go:

Who I will go with:

How I will prepare:

**Temple recommend:**  
A card that shows you are ready to go inside the temple.

*Heavenly Father has wonderful blessings for you all along your path back to Him!*
