

Have You Seen Jesus?

It's too hot. I think I'm going to melt!

Don't worry, we're almost there.

The wind feels nice.

This is much better!

But how do you know? Have you seen Jesus?

No. But I feel Him every day.

Do you remember the wind we felt while we were walking?

We can't see the wind. But we can feel it. And even if we haven't seen Jesus, we can still feel His love.

It felt so good! I was really hot, but the wind was cool.

Grandma, do you love Jesus?

Yes! I love Jesus a lot.

Me too. I just wish I could see Him. Then I'd know He's real.

Oh sweetheart, Jesus is very real. He's a real person, like you and me.

How can we feel Him?

I feel His love when I look at His beautiful creations. I see His love in the flowers.

I see His love in the rivers He created.

And I see His love when I look at you!

Can I help you look for Jesus again tomorrow?

Of course!
