

Pühakirjad võivad meid päevast päeva juhtida (Alma 37:38-47).

Värvi ära pühakirjaraamatud, et näha, kuidas need saavad meid päevast päeva Päästja juurde juhtida. Palu kellelgi sulle rääkida, kuidas pühakirjad on teda Päästja juurde juhtinud, ja räägi, kuidas need on sind Tema juurde juhtinud.
