How They Follow Jesus

Tarnae is preparing to go to the temple to do baptisms. His nan (grandma) found information about some ancestors so he could be baptized for them. "I am really excited to enter the temple," says Tarnae. "I feel honored to help do the work for my ancestors."

When their cousin got baptized, Nephi shared his testimony. Nephi told those at the baptism about Jesus Christ. "I know it is important to share my testimony to strengthen others," Nephi says. ●
