## Սամուելը պատի վրա

Samuel the prophet climbed on a wall to teach the people about Jesus Christ (see Helaman 13–16). Make this craft to help you remember Samuel's story. How can you share about Jesus Christ with others?

- Cut out the pieces. Then carefully cut the dotted lines on the wall to make two slits.
- 2. Slide the long strip through the slits. Now you can make Samuel climb up and down the wall as you tell the story on page 24!
