

The Doctrine of Christ Lesson Plan

1. From what you have learned and studied, write a summary of the doctrine of Christ.

2. List two or three questions you could ask to help those you teach to understand and think more deeply about the doctrine of Christ.

3. Describe why you feel it is important to follow these teachings of the Savior. If possible, include experiences you have had that demonstrate how these teachings have blessed your life.

4. List one or two invitations you could extend to help those you teach apply what they have learned about the doctrine of Christ.

5. (Optional) Think of an object or activity to help those you teach better understand the doctrine of Christ.
