MISSIONARY CHALLENGE

Missionaries meet new people and talk to them.

Some missionaries learn a new language.

Missionaries share their talents! Some play the piano at church, learn scriptures to share, or use other talents to bless others.

Missionaries pray for others.

Missionaries teach others about Jesus Christ.

Think of two or three people you know and pray for them. Ask Heavenly Father to bless them.

Tell a friend or family member something you learned about Jesus in Primary.

Get to know someone in your class or neighborhood who you don't know.

Learn to say a few words in a new language. You might learn to say, "Jesus loves me" or "I am a child of God."

Think of a talent you have. Then use that talent to serve someone!
