# Following Jesus in Papua New Guinea

## How Erwin Follows Jesus

Erwin follows Jesus by helping the elderly people in his town. He helps clean their yards and takes them food. "I am happy when I help them. I want to help more," he says.

Erwin also follows Jesus by praying to Heavenly Father. "When I pray, I feel like God is with me," he says.

Erwin prayed to ask Heavenly Father to help his family be together forever. Erwin and his family went to the temple in Tonga to be sealed as a family. He says, "I felt the Spirit inside the temple. It was very peaceful and quiet." ●
