

# MEDIA MATCH

Follow each person's path to see how technology helps them!  
What are some good ways you use media?

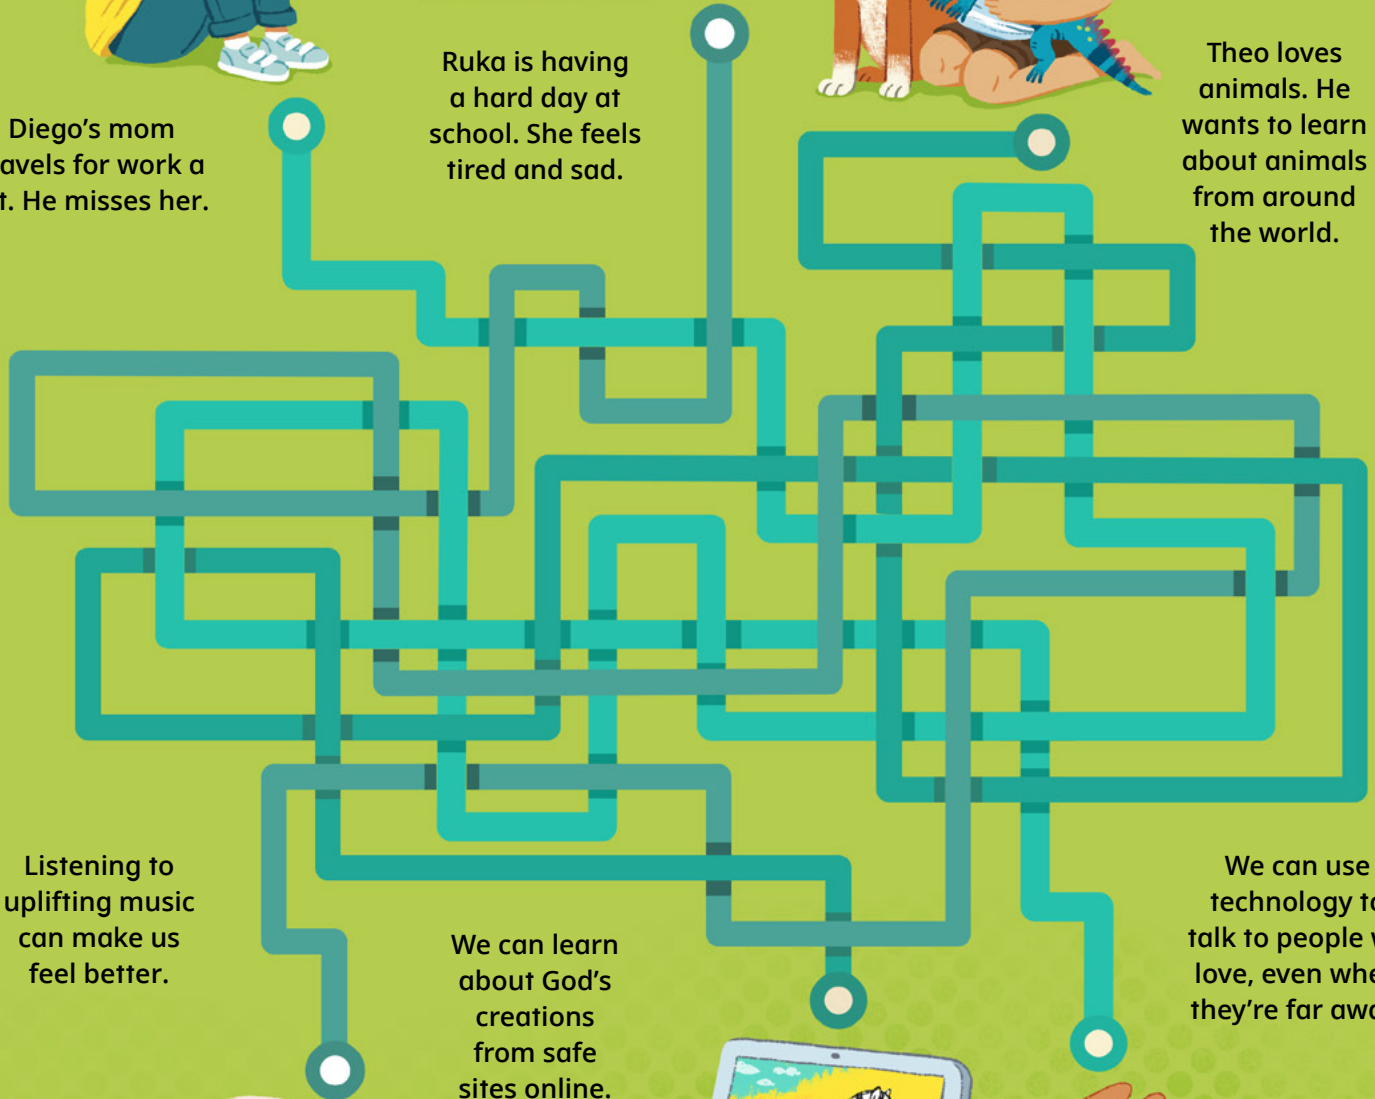

Diego's mom travels for work a lot. He misses her.

Ruka is having a hard day at school. She feels tired and sad.

Theo loves animals. He wants to learn about animals from around the world.

Listening to uplifting music can make us feel better.

We can learn about God's creations from safe sites online.

We can use technology to talk to people we love, even when they're far away.
