

What Is Easter?

Easter is a special time to think about Jesus Christ.

At Easter, we remember that Jesus knows how we feel. He felt our pain and sadness.

Jesus died on a cross because He loves us. His body was put in a tomb.

After three days, the tomb was empty. Jesus lived again! We call this the Resurrection.

Because of Jesus, we will all live again after we die. We can feel love from Heavenly Father and Jesus every day, not just on Easter! ●
