

Magagabayan tayo ng mga banal na kasulatan araw-araw (Alma 37:38-47).

Kulayan ang mga banal na kasulatan para makita kung paano tayo magagabayan ng mga ito araw-araw patungo sa Tagapagligtas. Hilingin sa isang tao na ibahagi niya sa iyo kung paano siya nagabayan ng mga banal na kasulatan patungo sa Tagapagligtas, at ibahagi kung paano ka nagabayan ng mga ito patungo sa Kanya.
