

Kuv qhia tau Yexus Khetos txoj moo zoo rau lwm tus (Amas 17–19).

Muab 10 daim ntawv txiav tawm kom ua ib qho ua si. Muab tej daim ntawv sib xyaw thiab tso kom thiaj tsis pom cov duab. Muab ob daim ntawv ntseev. Yog tias ob daim sib luag, qhia tias koj yuav qhia ib tug phooj ywg li cas txog qhov tseeb nyob hauv daim duab (thov kom ib tug pab koj yog xav tau). Yog tias tsis sib luag, rov qab muab ntseev ces rov qab sim dua.
