

Tithing Math

Count the coins. For every 10 that you count, color one.
That's how much you would pay as tithing!

Heavenly Father asks us to pay tithing. That means giving Him one-tenth of the money we get!

Want to try a harder one? Add the money to the right. Then color the coins you would pay as tithing. (Remember, for every 10, you give one.)

ANSWER: COLOR 1 NUMBER 5 COIN AND 2 NUMBER 1 COINS
