## How They Are Following Jesus

"Our families live on the same farm as our Nana and Gramps," Lucia says. "There's lots of work to do, but we feel good when we're serving. We know that Jesus wants us to serve."

"We help Nana look after the ponies," Vivie says. "We lead them to the field to graze. We clean out their paddocks, brush their hair, feed them, and fill their water buckets. We love helping Nana."

Zac follows Jesus by serving too. "Our great-grandad had an operation on his hand. He couldn't tend to his garden. My family, cousins, and grandparents helped mow the lawn and clear the weeds. Great-Granddad was so happy!"
