

MARGO and PAOLO

I want to share my testimony.

I know the Book of Mormon is true . . .

Later . . .

What's wrong?

I don't think I have a testimony like you. How can you know everything for sure?

Well, I don't. But I know I feel good when I pray and read the scriptures. And when I learn about Jesus in Primary.

It's a good start, right? We don't have to know everything. And we can ask Heavenly Father our questions.

Do you want to talk to Mamāe and Papai about your questions? I think they can help.

Me too. But I have too many questions! It doesn't feel like enough.

Good idea.
