

Svētie Raksti var vadīt mūs — dienu pēc dienas (Almas 37:38–47).

Iekrāso Svēto Rakstu sējumus, lai redzētu, kā tie dienu pēc dienas vedina mūs pie Glābēja. Palūdz, lai kāds tev pastāsta, kā Svētie Raksti ir vedinājuši viņu pie Glābēja, un pastāsti, kā tie ir vedinājuši pie Viņa tevi pašu.
