

Ujesu Kristu uyangisindisa esonweni nasekufeni (2 Nefi 9:7-23).

Ulandela imigqa enamachashaza, sika uMsindisi, isenyukelo, kanye nendoda. Bonisa ukuthi indoda yawela kanjani emgodini okubonisa isono nokufa. Bese ubonisa ukuthi uMsindisi wangena kanjani emgodini wasebenzisa isenyukelo ukuze asize indoda ibaleke emgodini. Ngenxa yokuthi uJesu wahlupheka ngenxa yezono zethu, wafa, wabuye wavuka kwabafuleyo, nathi singakwazi ukusinqoba isono futhi siyovuswa ngemva kokuba sifile.
