

Ngenxa kaJesu Kristu, ngiyovuka kwabafileyo (Alima 40:23).

Sika umzimba wenyama nomzimba womoya. Sebenzisa iphini yephepha ukubonisa ukuthi umoya wethu uhlangana kanjani nomzimba wenyama lapho sizalwa, nokuthi uhlukana kanjani ekufeni, bese uphinde uhlangane kanjani lapho sivuka kwabafileyo.
