

The image features a stack of several old, worn books with thick spines on the left. A quill pen with a silver nib lies diagonally across the scene, resting on a rolled-up scroll of parchment or leather. The scroll is unrolled at one end, showing its hollow interior. The entire scene is set on a rustic wooden surface. The background is dark and out of focus.

VI SKULLE

LÆRE OG FORSVARE GRUNNLOVENS

INSPIRERTE PRINSIPPER.
