

# My Family Story

What stories do you know about your family? Draw your own family story in the boxes below.

The form consists of six empty rectangular boxes arranged in a 2x3 grid. Each box is outlined in blue. Surrounding the boxes are several colorful drawing tools: a yellow pencil on the left, a green crayon on the top right, a red pencil on the right, a blue crayon on the bottom left, and a red pencil on the bottom right.
