

FRUITS OF THE SPIRIT

The Holy Ghost gives us good feelings when we follow Jesus Christ. Paul called these blessings the fruits of the Spirit. We can share those blessings with others.

1. On each fruit, write one blessing of the Spirit listed in Galatians 5:22–23 (for example, love, joy, peace, or gentleness).
2. On the other lines, write something you can do to share that blessing with others.

LOVE
I can say nice things to my friends to show them love.
