How Laksmi Follows Jesus

Laksmi and her family moved to the USA from Cambodia. Laksmi follows Jesus Christ by showing kindness to her family. One of her favorite things is to help take care of her little sister, Rhianna. Laksmi plays with her. They eat ice cream together. And sometimes Laksmi even changes her diaper. "I help her because I love her," Laksmi says. "Jesus said we should love each other." ●
