# Safety, Health, and Environmental Consultants and Contractors

Updated April 15, 2021

The Church of Jesus Christ of Latter-day Saints has signed contracts with the companies listed below. The contracts were negotiated by the Church Purchasing Division to protect the Church legally and ensure that the companies have adequate insurance. The companies have been selected as the most qualified and cost competitive, are familiar with Church operations, and will provide standardized services and reports. For questions, contact the Risk Management Division at 1-801-240-1576.

## Environmental Site Assessment and Environmental Remediation Consultants

These consultants provide environmental site assessments and environmental remediation services (such as soil and groundwater contamination cleanup and UST closure). Refer to the [Church Environmental Site Assessment Guidelines](#) for additional information. Use the [Environmental Site Assessment Authorization](#) in the guidelines when requesting an assessment or environmental remediation services.
