

# We Will Live Again

By Saisamoa Laban  
(Based on a true story)

Carlan and her family went to a cemetery to learn more about their family history.

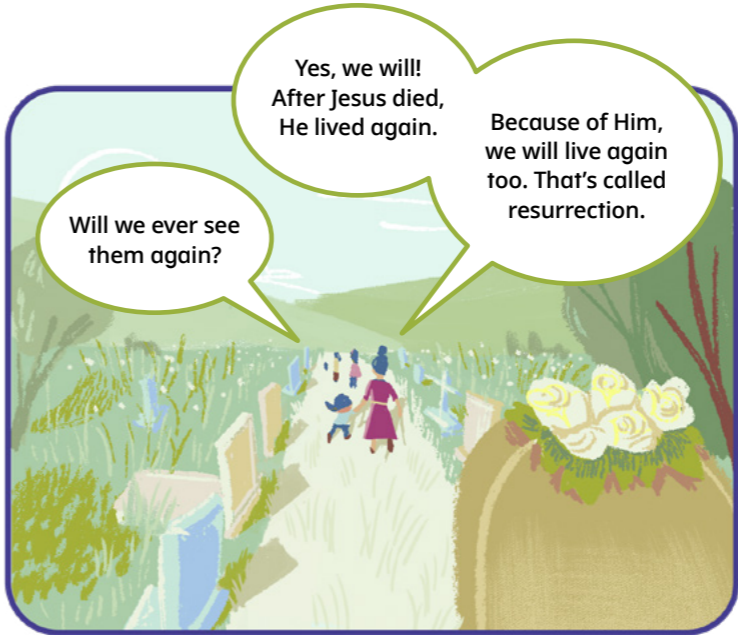

Mummy, where do people go when they die?

Well, their bodies stay here, but their spirits go to the spirit world.

What do they do there?

They learn and teach about Jesus.

Will we ever see them again?

Yes, we will! After Jesus died, He lived again.

Because of Him, we will live again too. That's called resurrection.

This is my cousin's grave.

Will your cousin live again too?

Yes! We will all live again.

And our family can be together forever.

Wow! I can't wait to meet your cousin someday.
