

# Activity Sharing

*A Simple Way to Love, Share, and Invite*

“Ward social and service activities... could knit us together with even greater belonging and unity... Enjoyable gospel activities also [allow us to] invite neighbors and friends.”

**Elder Gerrit W. Gong**

“Love is Spoken Here,” Oct 2023

# Activity Sharing: Love, Share, and Invite

- Existing ward activities provide a simple and natural way to invite and help friends from our community to feel that they "are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God" (Ephesians 2:19).
- "Often, inviting simply means including our family, friends, and neighbors in what we are already doing" (General Handbook 23.1.1).

# Activity Sharing

Activity Sharing is a technology that can help members invite friends to existing ward activities and Sunday worship services. It also allows people who are searching online for local activities to find them and RSVP.

# Leader Resources

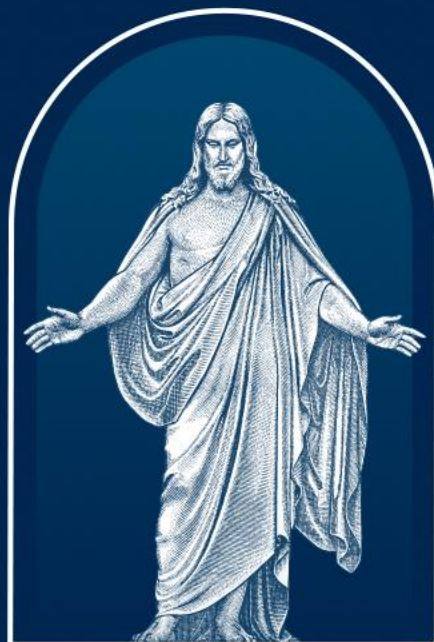

# Ward Leadership Discussion and Action

1. Address questions and counsel together on how to implement and share Activity Sharing with ward members.
2. The bishop assigns a member of the ward council, a ward mission leader, a ward missionary, a counselor or secretary of a ward organization to create and publish ward activities through the Church Calendar. A new calling should not be created for this assignment.
3. Encourage members to share and invite friends to love, share and invite through ward activities.

# Action Items for Stakes

1. Stake clerks send the name and email address of the ward missionary or ward council member responsible for the ward web page to [ActivitySharing@ChurchofJesusChrist.org](mailto:ActivitySharing@ChurchofJesusChrist.org) for initial support.
2. Report to the stake clerk when the ward has published at least one activity or Sunday meeting. The stake reports this to the Area Seventy.
