

# Samuel on the Wall

*Samuel the prophet climbed on a wall to teach the people about Jesus Christ (see Helaman 13–16). Make this craft to help you remember Samuel's story. How can you share about Jesus Christ with others?*

1. Cut out the pieces. Then carefully cut the dotted lines on the wall to make two slits.
2. Slide the long strip through the slits. Now you can make Samuel climb up and down the wall as you tell the story on page 24!
