

Stake, Ward, and Family Emergency Plans

Needs

Families, wards, and stakes should plan and prepare for emergencies.

Description

Creating an emergency plan should include the following steps:

- List likely risks or disasters.
- Gather critical information.
- Outline assignments and procedures.
- Name emergency communication tools and methods.
- Encourage members (of the stake, ward, or family) to be prepared.

Who is this for?

This is for people in families, wards, and stakes or in branches and districts.

How it works

Church members and units are encouraged to create plans for responding to natural disasters and other emergencies. Emergency plan outlines, checklists, and more tools are on the Church's website.
